Tomas – The call will be a download from HQ about the meeting they had with the Cargill folks this morning, which will likely be very similar to the meeting they had with Ken a couple of months ago. (Cargill wanted to meet Joel because he's the new guy.) The call is at 9. I'll send you the info. If you can't make the call, I'd be happy to summarize for you whenever is convenient for you today – just let me know. Sylvia

Well maybe you and Jessica should be on. Why don't you talk with Sylvia.

We learned yesterday from Sylvia that Joel B. had set up a call. I'm not aware of any invites to R9 WTR people.
